Nanhi Kali

Auditor

January 2024 - January 2024 (1 month)

Palghar, Maharashtra, India

During my time with the Nanhi Kali Team, I conducted audits in six schools across Palghar District, encompassing areas such as Palghar, Dahanu, and Dahisar, with a total of 10 ASCs. This one-week program provided me with a unique opportunity to delve into the field, allowing me to explore my full potential while engaging directly with students, parents, teachers, and the

local community. It was a truly eye-opening experience, as I gained valuable insights into their challenges and needs. This experience marked a significant contribution to society, one that allowed me to make a tangible difference in the lives of those I encountered.
